DSA Community,

We are very excited that our 2015-2016 Arts Seasons opens next Wednesday night with our All-School Production of Oliver. We want to remind you of the importance of purchasing your tickets on-line. You find the link to purchase tickets under the performance tab of the DSA web site. Tickets are going really fast and we don't want any community members coming to a performance that is sold out. We anticipate that most shows will sell out in advance of the show. Here is an update on tickets available:

Thursday- September 9<sup>th</sup>- less than 100 seats remain  
Friday- September 10<sup>th</sup>- less than 60 seats remain  
Sunday- September 13<sup>th</sup>- less than 25 seats remain  
Wednesday- September 16<sup>th</sup>- seating is still open  
Thursday- September 17<sup>th</sup>- seating is still open  
Friday- September 18<sup>th</sup>- less than 100 seats remain  
Saturday- September 19<sup>th</sup>- less than 40 seats remain

**Please note this important policy for this show:**

**Latecomers with seats in the Orchestra or Mezzanine will not be able to access their assigned seats after the performance starts. Because the cast will be using the aisles for dancing sequences and entrances/exits, no one will be able to stand in the aisles or use the entrances after the show starts. You will be seated in the balcony until intermission at which time you can take your assigned seats downstairs. SO PLEASE BE PROMPT!!**

Sincerely,

A handwritten signature in cursive script that reads "William M. Kohut".
