Bar chart showing per pupil spending:
- BTW SPVA: $12,000.00
- San Diego SPVA: $10,000.00
- Cortinez SPVA: $10,000.00
- DSA: $2,000.00
Giving to the Whole School.....

DPS Base fund with average additional amounts for various designations, mill levy, and bond dollars = $4,977.68 per student
Giving to the Whole School.....

After distributing our allocated funding of $5,480,431.00- DSA has 2.2% of this amount to cover instructional costs- meaning 97.8% of this money covers salary and benefits.
Giving to the Whole School.....

Unmet needs from District Allocations:

- Visiting Artists & Scholars Program: $400,000
- Capital Improvements: $150,000
- Additional expenses to support arts & technology: $200,000
Giving to the Whole School.....

- Text books/on-line resources/Academic Supplies: $50,000
- Additional Human Resources (see below): $600,000
- Total: $1,400,000

That amount divided by 1101 students equals a gap of: $1,272 per student
The Denver School of the Arts is a tuition-free, donation-dependent, public magnet school. No student is admitted or denied based upon financial capacity. However, each school year we must raise approximately $1,271.00 per student to fund our arts majors at a level that is compatible and competitive with other arts schools across the country. For this effort we rely on parents and the community-at-large to help us reach this goal.
Giving to the Whole School…..

- All cash donations to our school’s 501(c)3 Foundation are fully tax deductible.
- Denver School of the Arts Friends Foundation is registered as a non-profit organization under IRS Code 501(c)(3).
- Details regarding our Parent Giving Program are presented as part of our yearly giving campaign- “Fill the Gap”.
- Donations are set-up on a monthly, recurring basis.

Questions may be emailed to Becky Parsons, Family Liaison, or call 714-560-0900, ext. 5535.
Giving to the Whole School.....

*or at a level that fits your monthly budget
Giving to the Whole School.....

**What does your monthly contribution support?**

A robust visiting artist and scholar program that supports both academics and the arts.

Improvements in technology, and arts & academic classroom resources.

Student support fund.

Underfunded Human Resource positions.
