

## Community Announcements October 5, 2011

**Important Change!** We will no longer be able to administer Tylenol or Ibuprofen to students with parent permission only. There has been a change to the policy given through Nursing Services, and we will now require a doctor's order for administering Tylenol and/or Ibuprofen. The form for this is *The Medication Release Agreement* form which is located under the NURSE tab on the DSA website. This form requires a parent or guardian to fill out the top half and sign, and then requires a doctor to fill out the bottom half and sign. Along with this form, you will need to provide the medication in its original labeled bottle. Thanks for your understanding. Any questions please feel free to contact DSA's School Nurse, Amy Robinson 720-424-1712.

**The School Appointment site was activated this morning and will be ready for your use at 12:00 noon today for scheduling conferences with your student's teachers. Conferences will be held on Wednesday, October 26<sup>th</sup> & Thursday, October 27<sup>th</sup> from 4:00 through 7:30 pm. Refer to the separate community blast that was sent to DSA families earlier today or the DSA web-site under updates for complete instructions on signing up for parent conferences.**

The GT Social Emotional Needs of Gifted (SENG) has been rescheduled for the January 2012. The new meeting dates are Wednesdays January 11, 18, 25 and February 1, 8, 15, 22.
